Formaldehyde Free

SINLOIHI COLOR SB-10 Series does not contain formaldehyde and designed for olefin-based resin coloration. Heat resistance is up to 260°C and there is no formalin smell at the time of the molding.

●Applications

The molding coloration such as polyethylene, polypropylene, polystyrene and ABS Resin etc.

●Color Availability

SB-11	RedOrange
SB-13	Red
SB-14	Orange
SB-15N	Yellow
SB-17	Pink
SB-37	Magenta

●Properties

Average particle size	8.0~10.0 μm
Softening point	Over 110°C

●Quality properties

- *Formaldehyde Free
- *Superior heat resistance
- *No solvent resistant

Package:paper bag
Net weight:10kg,1kg
